- Welcome
- Additional Agenda Items: Question about Winter Sports starting, soon for sure by mid-November.
- Approve Agenda: approved
- Add Jacob Clark to the Girls Basketball account at OCCU: approved
- Finances
- Formal list of board members: Paul Schmidt has moved. (Anna Ingram: Send the agenda to her for the website).
- Axe Athletic Endowment Target Size (for OCF Endowment Partner handbook): currently at \$1,000 annually. On-going: Celebrate south requires \$10K to throw the event. If we can raise that money prior for the event, then it will offset the endowment. We could decide there should be another endowment. Idea: Come up with a Mission Statement.
- Status update and ticket price discussion for Celebrate South: Sounds like we have an MC for the event. Raise ticket prices from \$65-\$75. Sponsorship table raised to \$1100. Athletes inducted: Frank Lawson: soccer and basketball ('79), Wendy Gabby: girls basketball team ('99), Brian O'Kelly ('95), and more. Working on more entertainment. Meeting is October 16th.
- Update on gear sales through "buy it now" auction: Anna updated the website and newsletter. She needs additional access to consolidate the Facebook pages. She is ready to send out the newsletter. Goal of at least once per sports season. We can keep track of the gear, reports to Morgan.
- Good of the Order
